MEMORANDUM FOR THE RECORD

SUBJECT: Freedom Commission Act

1. Talked to the Inspector General about the Freedom Academy bills and he reminded me of his discussion with [REDACTED] of Orlando, Florida, who had a great deal to do with some of the original studies. Classified material was not discussed with [REDACTED] and he was not furnished a firm position except that CIA probably would not fight the bills. Kirkpatrick further advised that the Director had discussed this proposal with the President's Board of Consultants indicating that he does not believe it would serve a useful purpose. STATOTHR

2. In view of Bennett's sponsorship of a bill identical to the others on this subject it may be desirable to discuss the subject with him at some time. Also Kirkpatrick suggested having in mind that Al Ulmer is from a prominent family in Jacksonville and at some point could be useful in discussions with Bennett.
